Title	Reflections on Discussions in the Application of Psychodrama in Educational Settings --The Evaluation of Students and How to Deal with the resistance to acting expression--
Author	OKAJIMA Ichiro
Affiliation	Faculty of Children's Studies, Nishikyushu University
Abstract	<p style="text-align: center;">This paper is a comment on Prof. Nozomi Jubashi's presentation on psychodrama in educational settings, made at the 47th Annual Symposium of the Japanese Society of Clinical Psychodrama held in February 2022. First, the author summarized Prof. Jubashi's remarks on how to evaluate students' expressions when performing psychodrama in university classes. Then, the author summarized Prof. Jubashi's remarks on dealing with university students' resistance to acting, and reported on my opinion and my own efforts to deal with such resistance.</p>
keyword	psychodrama in educational settings, evaluation, resistance to acting
