| Title       | The psychotherapy process for female adolescents struggling with internal “strictness”  |
| Author      | Tomoko HIRAI, Chikara AKAGAWA   |
| Affiliation | Suzuka Municipal Chiyozaki Junior High School, Nishikyushu University.  |
| Abstract    | This study presents a consideration of clients’ internal worlds and family relationships based on psychotherapy processes that allow junior high school students to confront their own and family’s issues within their experiences of truancy. The students in question were raised on the basis of paternal values to believe in negative animus judgments. |
