英文	
Title	Development of Treasure's Message Online and its International Evaluation
Author	OKAJIMA Ichiro, SHIROSHITA Miki, & OKAJIMA Sayaka
Affiliation	Faculty of Children's Studies, Nishikyushu University, Nagasaki Rehabilitation College, Student's Counseling Service, Nishikyushu University
Abstract	<p>The presenters developed an online version of "Treasure's Message" in which participants reflect on stories they have spent with their most precious belongings and listen to the messages from those belongings. The responses from the four participants revealed that the online version enriched their relationships with objects and people, but there were some unclear points in the progression of the program, so further improvement is needed.</p>
keyword	Treasure's Message, Online, Enriched Relationships
